

Introducing WellDyne

As a pharmacy benefit manager (PBM), our top priority is to ensure the prescriptions you take are safe, effective and affordable. We're committed to helping you get the most value from your prescription benefits while achieving the best possible health outcome.

- Our Member Services team is available around the clock, 365 days per year, to help with questions about your prescription benefits and mail order pharmacy shipments.
- Our pharmacists are available 24/7/365 to answer any medication questions.
- We want you to have the information you need, when you need it, to make good decisions about your prescriptions:
 - On our Member Portal you can calculate medication costs, find personalized cost-saving tips and generic alternatives, locate a network pharmacy, download your ID cards, view prescription history and more.
 - Our Mobile App includes all of the same great functionality as our member portal, and you can download your pharmacy ID card into your phone's wallet.
 - Our WellConnect text messaging service sends you customized updates about your prescriptions and alerts you when lower cost medication options are available.

We offer multiple options for filling your prescriptions.

Retail Pharmacy Network

With over 65,000 national, regional and local pharmacies in our network, it should be easy to find one nearby.

Home Delivery

Our mail order pharmacy offers an affordable way to get the medications you take on a regular basis shipped directly to your door.

Specialty Pharmacy

If you are taking a specialty medication for a complex health condition, we are here to give you added support and personalized clinical guidance.

Taking the right medication is an important part of staying healthy. We have been in the pharmacy business for 25 years and help people in all 50 states get the medications they need. With WellDyne, Better Begins Today.

About WellDyne

We administer the pharmacy benefits for hundreds of health plans across the county.

We are located in Lakeland, FL and Centennial, CO.

Our team includes a large staff of pharmacists, pharmacy technicians and customer service specialists.

We have a mail order pharmacy for maintenance medication and a specialty pharmacy for medications that are used to treat cancer, inflammatory diseases and other complex conditions.

For questions about your pharmacy benefits, visit our member portal at www.WellDyne.com and click "For Members." Or call Member Services at the number listed on your ID card.
